Reference: Year End Report (12/1/11-12/31/11)

Dear Mr. Norfleet:

This letter is in response to your request for additional information, dated June 25, 2012.

Your letter indicates that the Committee may have failed to file one or more of the required 48 hour reports for independent expenditures.

All independent expenditures listed in the attachment to your letter were disclosed on a 48 hour notice filed 1/4/12. This was filed on time and in accordance with the regulations. On 3/31/12, the Committee received an additional bill for media production related to the media buy originally disclosed on the 1/4/12 filing. The Committee contacted you directly and we were instructed to amend the original 48 hour filing to include this additional expense.

The Committee amended the 1/4/12 filing on 4/2/12 and included the additional production expenditure of \$8665. The Committee noted that the 48 hour notice was amended to include costs that it originally thought were part of the \$209,920 disclosed on the 1/4/12 filing.

Please do not hesitate to contact us if further information is required.

Sincerely,

Lisa Lisker  
Treasurer
